Description

Come and discover this beautiful refurbished apartment ideally located in the heart of Nyon on the main pedestrian street.

Set in a historic building, the apartment is full of charm thanks to its moldings and high ceilings. At the same time, recent renovations have enabled the apartment to be fitted out to a high standard using modern materials.

The apartment comprises a beautiful entrance hall distributing all the rooms in the apartment:

- This hall opens onto a large room featuring a beautiful modern kitchen and a dining area.
- Continuing on the courtyard side is a large bedroom of over 20m2, warmly decorated with parquet flooring.
- The bathroom features a bathtub and double vanity unit. Its size allows you to install the necessary connections for your own washing machine.
- On the pedestrian street side, the second bedroom is very bright thanks to its two large windows.
- Finally, the living area, also on the pedestrian side, offers a large surface area illuminated by 3 large windows and warmed by the numerous moldings.
